PROFESSIONAL SUMMARY

Content creator and video editor with over five years of experience across graphic design, video production, social media management, paid advertising, and web development. I build brand identities from scratch, produce and edit short-form video for Reels and TikTok, run Meta and Google ad campaigns measured by results, and build client websites in HTML, CSS, and JavaScript. I work well independently, I am comfortable managing several projects at once, and I also work as a freelance voice over artist in Arabic and English.

CORE SKILLS

Video & Editing: Adobe Premiere Pro, video production, short-form editing (Reels, TikTok, YouTube Shorts), scriptwriting, post-production

Design: Graphic design, brand identity, Adobe Photoshop, Canva, social media graphics, infographics

Marketing: Social media management, Meta Ads (Facebook and Instagram), Google Ads, content strategy, campaign management

Web Development: HTML, CSS, JavaScript, VS Code, business websites, landing pages, portfolio sites

Voice Over: Arabic and English narration, commercial scripts, freelance voice work

Languages: Arabic (Native) · English (Professional, DET Score 120)

PROFESSIONAL EXPERIENCE

Head of Advertising and Marketing | Rif Majan

2024 to Present

In-house creative lead for two restaurant branches. Came in with nothing and built the full brand identity and content operation from the ground up.

- Designed the complete brand identity from scratch, including logo, menus, packaging, and all branded materials across both locations
- Shoot, edit, and produce all video content, from Reels and promotional videos to product highlights and behind-the-scenes footage
- Create and manage all social media across Instagram and Facebook, keeping the voice and visual style consistent
- Grew a managed Instagram account from 26.1K to 368.2K monthly views in 30 days, a 14x increase, through a targeted paid campaign
- Ran Meta ad campaigns, redesigning the creatives and tightening targeting to a 15km radius, bringing cost per click down 35% while exceeding reservation targets on a reduced budget

Web Developer and Designer | Freelance

2022 to Present

Design and build websites for clients alongside my full-time creative work.

- Design and develop business websites and landing pages tailored to each client's brand and goals
- Build portfolio sites for clients, handling structure, design, and deployment
- Work primarily in HTML, CSS, and JavaScript, building each site by hand

Marketing Manager | Roaya Optical Center

2023 to 2024

Marketing role focused on growing the brand's presence across multiple locations.

- Planned and produced marketing content and campaigns across the brand's channels
- Coordinated visuals and messaging to keep the brand consistent across locations

Social Media Specialist and Content Creator | ECHO Media Production Agency

2021 to 2023

Agency work with several clients running at the same time across different industries.

- Took projects from brief to delivery: scriptwriting, pre-production, shooting, and editing
- Learned each client's brand well enough to create content that felt like them, not generic posts
- Managed several accounts at once and consistently hit deadlines

Digital Marketing Assistant | [Arrow for Advertising](#)

2019

- Supported digital marketing and content tasks across client campaigns
- Assisted with social media content and basic design work

EDUCATION

BSc in Computer Science | [M.E.T Academy, Egypt](#)

2022
